

Preliminary Program of the German and Swiss Societies for Matrix Biology

Time	Donnerstag 22.3.2018
12:30-13:45	Registration
13:45-14:00	Opening
14:00-14:40	Session I: ECM in Development & Stem Cell Research
14:40-15:00	Session Keynote Lecture: Milica Radisic (University of Toronto, Canada)
15:00-15:20	selected from abstracts (15+5)
15:20-15:40	selected from abstracts (15+5)
15:40-16:00	selected from abstracts (15+5)
16:00-16:20	Sven Poppelreuther (Zeiss) 3D Imaging of Cells and Matrices from Macroscopic to Nanometer Scale
16:20-18:00	Marc Richter (Renishaw GmbH) Label-free Raman analysis and monitoring of extracellular matrix formation and development
18:00-19:00	Guided Poster Session with Poster Competition I
19:00-21:00	Plenary Lecture: Matthias Lutolf (EPFL Lausanne, Switzerland) Organoid development by design Get Together

Time	Freitag 23.3.2018
08:00-09:00	Registration
09:00-09:40	Session II: ECM & Aging
09:40-10:00	Session Keynote Lecture: Laurent Debelle (University Reims Champagne-Ardenne, France)
10:00-10:20	selected from abstracts (15+5)
10:20-10:40	selected from abstracts (15+5)
10:40-11:00	selected from abstracts (15+5)
11:00-12:30	selected from abstracts (15+5)
12:30-13:20	Guided Poster Session with Poster Competition II Mittagessen
13:20-14:00	Session III: ECM & Inflammation/ (Auto)Immune Response
14:00-14:20	Session Keynote Lecture: Antonella Viola (University of Padua, Italy)
14:20-14:40	Invited speaker: Valbona Mirakaj (University Hospital Tübingen, Germany)
14:40-15:00	selected from abstracts (15+5)
15:00-15:20	selected from abstracts (15+5) Coffee Break
15:20-16:00	Session IV: ECM & Immunology
16:00-16:20	Session Keynote Lecture: Ankur Singh (Cornell University, USA)
16:20-16:40	selected from abstracts (15+5)
16:40-17:00	selected from abstracts (15+5)
17:00-17:20	selected from abstracts (15+5)
17:20-17:40	Young Investigator Competition-Session
17:40-18:00	presentation candidate I (15+5)
18:00-19:00	presentation candidate II (15+5)
19:00-21:30	presentation candidate III (15+5) General Assembly Conference Dinner @Fraunhofer IGB

Time	Samstag 24.3.2018
08:00-09:00	Registration
09:00-09:40	Session V: ECM & Disease
09:40-10:10	Session Keynote Lecture: Sanjay Sinha (University of Cambridge, United Kingdom)
10:10-10:30	Invited Speaker: Michael Sherratt (University of Manchester, United Kingdom)
10:30-10:45	selected from abstracts (15+5)
10:45-11:00	selected from abstracts (10+5)
11:00-11:30	selected from abstracts (10+5) Coffee Break
11:30-12:10	Session VI: ECM & Tissue Engineering
12:10-12:30	Session Keynote Lecture: Dimitrios Zeugolis (NUI Galway, Ireland)
12:30-12:50	Marc Simonet (IME Technologies, The Netherlands) Electrospinning for regenerative medicine; challenges and solutions to bring products to the market
12:50-13:10	selected from abstracts (15+5)
13:10-13:30	selected from abstracts (15+5)
13:30-14:00	Adjourn Lunch to go
